Dear Friends,

Wow! I'm in awe of the huge support I've received from all of you - financially, emotionally, practically, in a multitude of ways. As the campaign is coming to a close, I want to say thank you!

Thank you for supporting me in my candidacy. Your confidence in my ability to serve as a School Board member has inspired me. Whatever the election's outcome, I will continue to work hard in support of education and the pupils of Beloit Public Schools.

Family and friends will be gathering election evening, April 7, at Denali's to await election returns. Won't you please join us!
